The ideal campsite is quickly found!

### Flags, window stickers and facade signs

Promotional materials in the form of a window sticker and flag\* are available for small campsites and for campsites with 3 or more stars. Campsites that are allowed to carry the Top Campsite label will receive a facade sign in addition to a flag\* and a window sticker. For the charming campsite category and campsites who accept Camping Key Europe, only a window sticker is available. You can place/hang the promotional materials in a highly visible location, so that campers who come to your campsite can see at a glance what label you represent.
